Abstract:

The questions in the problem will be determined based on the conjunction, aspect, existing positions and current direction periods of the planets. For example, if the 5th lord is afflicted, questions about fertility will be raised in the presence. If the 7th house is afflicted, there will be questions about marriage or problems with life partner or foreign travel, foreign residence. Looking at how the houses are arranged depending on the rising ascendant in Prasanna, when the questions regarding those houses come, the result should be given based on them. Yogic systems in the horoscope should be used here. Apart from these some special yogas used in Prachna are also explained.

Key Words: Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Ragu, Ketu, Manthi, Pathakathibathi, Sara Rasi, Sthara Rasi, Upaya Rasi, Ithasala Yoga, Musariba Yoga, Mudsala Yoga, Naktha Yoga, Yamaya Yoga, Kambula Yoga.

Introduction:

Many questions will be asked when Prasannam is seen. Those questions should be analyzed based on the conjunction of the planets with rising sign and 12 Bhavagas, aspect, existing positions and current dasa buddhi periods and answer the questions in presence. In Ashtamangala Prasannam, Deva Prasannam, Choli Prasannam and Thambula Prasannam all the questions related to 12 Bhavakas should be pondered and answered.

Questions Related to the First Bhava:

If a Jataka raises questions about his past, present and future, then Lagna, and Moon's strength should be seen. If these two are weak then the objective of the horoscope will not be fulfilled. The past of the Jataka should be told by the planet having Musariba Yoga with the Ascendant, the present time by the planet conjunct with the Ascendant, and the future by the planet having Ithasala Yoga with the Ascendant. Whether the Lagna lord is in the Lagna itself or conjoined with the Subhar, the querent will live in good health and without any worries. If Lagnadipati is Subhar, there will be good fortune, peace of mind and happiness. If he is unlucky, there will be quarrels, diseases and wastage of money.

Questions Related to the Second Bhava:

The following organizations are profitable in economic related questions.

- Getting Ithasala Yoga with 2nd lord with lagna lord, Or getting ithasala yoga with moon or getting subar combination.
- If the 2nd house is inauspicious, money will be received from abroad. At the same time, there are some disadvantages.
- If the 2nd lord gets mudsala yoga with malefics then the Jataka will die.
- If Mercury is aspected by the Moon or otherwise inauspicious, money will accrue. At the same time some unexpected mishaps will happen.
- If the lagna lord is in conjunction with the 2nd house or the lord of the 2nd house, then money will accrue through the bhava in which the slow moving planet is placed.
- If Moon, Ascendant and 2nd house lords are conjoined in 2nd or mutually aspected or in kendra or trigona the questioner will get immediate cash flow.
- Even if the ascendant is in auspicious classes, the ascendant is aspected by the subar, the questioner will get financial gains soon. In a similar system if there is malefics, there is chaos and waste.
- If there is Jupiter or other benefics in Lagna, Moon in 7th house and Sun in 10th house, there will be inflow of money soon.

Questions Related to 3rd Bhava:

If the 3rd house aspected his own house, or the 3rd house subar aspected both its lords, the questioner's brothers will live happily in good health. If all these are changed, the results will also change. If the 3rd lord is in mudasila yoga system with the 6th house lord, or if the 3rd lord is afflicted in the health of the questioner's brother but the 3rd lord is afflicted, the health of the brother will be severely affected. The disease is based on the planet occupying the Ithasala Yoga with the 6th or 8th lord. Any malefic aspect of planet in 6th or 8th house will affect it. In this way, we should know the effect of all the bhavas.

Questions Related to 4th Bhava:

If the ascendant Moon is placed in the 4th house or in his own house, the questioner is the owner of lands. If this combination is afflicted by him, there will be negative effects. If a farmer asks if this cropping business will give me any benefit, the way to answer it.

Ascendant - The systems that represent the farmer, 4th house denotes arable land, 7th house denotes cultivation and 10th house denotes harvest. So if there is subar in Lagna, there is good yield. The farmer loses if he steals to be inauspicious. If the malefic in Lagna is free, the thief will enjoy the benefit of the yield. If malefic in 4th house, farmer will sell those lands.

If the 7th house is suber, cultivation will be good. If there is an inauspicious person, there will be a loss. If lord of 10th house gets super vision or combination from 10th house, good results. In the question related to leasing of lands, the Ascendant represents the questioner, the 7th house the person to be leased, the 10th house the yield and the 4th house the eventual benefit. If the Ascendant and the Ascendant have a super association, there will be a good effect, if a malefic association then results will

give a negative effect. In the 4th there will be good and bad luck and final benefit will be good and bad respectively. If the 7th is inauspicious, the lessee will not benefit. Being inauspicious in 10th house is of no use to the questioner but the yield will be good.

Questions Related to the 5th Bhava:

If the question is asked whether I will have a child with this woman, if the Ascendant or the Moon has a Mudasila yoga system with the 5th lord, then I can answer that there will be children. Answer: Even if the 5th lord is in Lagna, Lagna lord and Moon together in 5th house, child will be born soon. Childbirth may be delayed if Nattayoga system is present. In lagnam upaya rasi, if subar is in contact, twins may be born. If Ascendant and 5th lord are in male signs then the birth will be a boy. If the Moon is in a male sign, and the male planet is in the same Yogic system as the Mudhas, the child born may be male. If the same question is asked above midday, when the sun is in the midheaven and the moon is in the rising position in the lower sky, answer it as a girl child. If the Hora time lord in question is a male planet and is in a male sign, a male child will be born. A child born even if the 5th lord is in its exaltation or Mercury or the Moon is in the 5th house or Mercury or the Moon has a child or conjunction with the 5th lord is considered a legitimate child for the enquirers.

If the question is asked whether this woman is pregnant, Lagna lord and Moon in 5th house can confirm pregnancy. If the Moon or Lagna lord has an Ithasala Yoga from an Apokalim house (3, 6, 9, 12) with Lagna or 5th house, then the particular woman is not pregnant. If the Ascendant is in the ascendant, and if it is in a malefic position, the Moon is in a Mudasila yoga system with the Moon, or if the Ascendant is middle and its lord or the Moon is a malefic planet and the Moon is in an Ithasala yoga, then miscarriage may occur, especially in women. If there is a question whether the fetus will survive. In the living condition, the 12th lord is in any Kendra in connection with Subhar. This question is raised during waxing period called Suklabhatsama, when the Moon is in 12th house in conjunction with Subhar.

12th lord being inauspicious and not in any subar association, if it is set or in apoclimatic houses without subar association, it can declare that the child is not alive. The child dies in the womb or dies at birth. If the question is about the time of the child's birth, the child will be born during the day if the lagna is in a day sign or if the lord of the ascendant is in a day sign or the time of the question is day. These are night signs and are born at night. If the time of asking the question is daytime and the lagna of the question is a night sign, answer based on the lord of the lord of the ascendant, the lord of the ascendant, and the lord of the Hora at that time. Will I have a baby this year? If the question arises, if the Ascendant and the 5th lord have an Ithasala yoga structure, then a child will be born. Questions about child birth should be answered by looking at the relationship between the Ascendant and the 5th lord and their presence in subar aspect. If there is no connection between them and excellent vision, it is possible that there is no child. 5th and 6th lords may be strong with no astanga, subar in lagna, have children.

Questions Related to the 6th Bhava:

When answering questions like illness, recovery from illness etc. take Lagna as doctor, 7th house as illness, 10th house as patient and 4th house as medicines or medical treatment. To contact the Subar Lagna, the particular doctor can cure the disease. If the Lagna is in conjunction with malefic, the doctor cannot cure it. The disease is serious. If there is an inauspicious person in the 10th house, the treatment will not be effective due to the patient's mistakes. (diet, not taking medicines in proper working and dosage) If malefic is in 4th or 7th, the disease becomes serious and affects from one to another. If there is subar in the 1st, 4th, 7th and 10th houses above, there will be complete cure from the disease. If Lagna lord and Moon form Itasalyoga arrangement with Subhara, the disease will be cured completely. If the 1st, 4th, 7th or 10th house planets are in negative aspect, the curable disease will strike again. If from Vakragati, and having Ithasala Yoga with Moon, the patient will not survive.

Other Systems Where the Patient's Life is at Risk:

- 8th lord in ascendant
- Lagna lord or 8th lord Moon in 8th house.
- Having Sun as Lagna lord and Moon from 6th with 7th lord getting Ithasala Yoga.
- 8th Bhavadipati or Lagnadipati from any kendra, getting Itasalyoga with vakram or astamana planets.
- Lagna lord and 8th lord sit in a kendra together, and if that kendra is afflicted, ithasala yoga is formed between the two lords.
- Placement of Lagna in Sun's Duvatasamsa.

Nature of the Disease:

- In lagna mean the patient seems to recover but the disease strikes him again.
- In Lagna Upaya Rasi, the patient is suffering from some other disease rather than the suspected disease.
- Prediction of patient's disease in Lagnam stra Rasi is correct.

If the Moon is first aspected by a malefic planet, it indicates a chronic illness.

If the Moon is in Mudasila system with a slow-moving planet, the disease will first start from obstruction of the urinary tract. Even if Jupiter, Saturn, Mars etc. are slow transiting planets, empirically speaking, if the Moon and Saturn have the above Mudasila yoga, then the effects related to urinary infection will happen. If both the Sun and the Moon are in subarin contact 4 or 7 days before the day of questioning about the disease, the patient will recover. Even if Lagna lord or Moon gets ithasala yoga with 6th lord, disease will continue even if Asthana.

Questions Related to Worker, Employer:

It is an ancient practice to ask questions such as whether the relationship between the employer and the employee will be good, whether the employer will benefit the employee, or whether he will look for work with other employers and whether he will help. Consider this to be asking whether you can stay in this job or look for another job according to today's times and give the benefit according to the procedures.

- There is no change of job unless lagna lord is from any kendra, 6th or 12th lord is not having mudhasila yoga. If there is yoga in mudas there is change.
- If lagna lord gets ithasalyoga with planet in 3rd or 9th from malefic, he will change job.

- If the Lagna lord in Kendra is aspected and the previous lord house is afflicted, the questioner will remain in the present job for the rest of his life. There will be no change.
- If there is a Kambula Yoga arrangement between Lagna lord and Moon, present job or employer will be beneficial.
- If there is Kambula yoga between 7th lord and Moon, it is better to find another job.

When questions arise such as whether I will get a good servant, or whether I will get good cattle, If the Lagna lord and the Moon are in the 6th house or if the Lagna lord has Ithasala Yoga with the 6th house lord or the 6th lord is in the Lagna, the questioner will have servants and cattle.

Questions Related to the 7th Bhava:

In the order of questions related to marriage, first are systems that answer questions about the availability of a woman.

- If the 7th Bhavadipati with Ithasalayoga with ascendant or moon, one will get a girl easily without searching too much.
- Ascendant or Moon in 7th, girl will be obtained after effort.
- If Lagna Lord Moon is both in Musariba Yoga, girl will be easy to get.
- If Lagna lord and 7th lord have Ithasalayoga, if the 7th lord has an inauspicious conjunction, even if it is set, there will be failure in searching for a woman.
- The same is the case even if the 8th lord is powerful.

3rd lord, 4th lord depends on the condition of Subhar or Asubhar. Through them, through brother and father respectively, women are obtained and not obtained. Here the 4th sin is associated with the Father. However, usually the 9th Bhava represents the father.

Love Marriage:

Lagna lord and 7th lord can be said to have love in a Mudus or Yoga system. With love there will be love. These two are inimical planets, but quarrels are also seen between lovers. If Lagna lord or 7th lord Moon is in Kambula Yoga then the bride will be virtuous and well-behaved. If Saturn is Ascendant, the questioner, if the 7th lord gets Kendra, the consort (or consort) will be favored. If these two are in the same zodiac sign, it is possible that they will be together in spite of quarrels. If the Sun is debilitated the male and if Venus is debilitated and the female both are debilitated then both will be happy.

Will the wife Return?

Answer to the question whether the wife who separated in anger will come back to him.

- If Sun is in 12th or 3rd and Venus is in 5th, 6th or 7th then the wife will not come again. (But whether this system is planetarily feasible remains to be seen.)
- The wife will return even if Venus is in its retrograde course, or sets and rises again.
- If the Moon is in the waxing crescent she will return immediately and the waxing crescent but after some time.

Either husband or wife can come and ask the above question. In this whoever asks, Lagna indicates the listener and 7th indicates the partner. If these 2 sinners are unaffected and have mutual super vision, the husband and wife are united again. If both the planets are afflicted, the conjunction is difficult. If only one planet is debilitated, the associate is on effort.

Questions Related to the 8th Bhava:

Ways to answer when questions are raised about war related to the 8th house. Although the questions are related to war, it is the skill and tact of the astrologer to use them in matters of success and failure like lawsuits and fights.

- If the planet in lagna or the lord planet of the sign with lagna lord has Musariba Yogic system with Moon, the questioner will be successful in war.
- Similarly if the planet in the 7th or with the planet in the house occupied by the 7th lord, the Moon acquires a Yoga in Mudhas, the enemy of the questioner will be successful.
- May the questioner succeed even if the powerful planets Jupiter, Mars and Saturn are strengthened and the weak Moon, Venus and Mercury are debilitated. Here we can say that the planet with more aspect is stronger and the planet with less element is weaker when it is placed in the signs.
- If Lagna lord and 7th lord together get mudasila yoga in 3rd, 6th, 10th or 11th house, the two warring kings will make peace and stop fighting.
- If the Lagna lord is in the houses between Lagna and 7th Bhava, the questioner will die.
- Lagna lord and the 7th lord occupy Musaripa Yoga and a planet is posited in them, the war will last for a long time.
- If the lagna lord is a slow-moving planet like Saturn, and it has Kambulayoga with the Moon and has more aspect than a fast-moving planet, the questioner will be successful.
- Lagna lord and 7th lord get Musariba yoga and in it the ascendant is in Asthangam or in Neesarai of 7th lord, or in kendra to 7th lord, or in 7th, the questioner will lose.
- Subaras behind lagna, slow moving planets, before lagna the questioner will get help of a good person.
- If Lagna lord and 8th lord occupy mudasila yoga in 8th house, the questioner will be in war.
- If the 7th lord and the 2nd lord have mudasila yoga in the 2nd house then the enemy will be completely destroyed.
- Ascendant and 10th lord will be successful in mudasila yoga system.
- Conjunction of 4th and 7th lords will show success to enemy.
- If Lagna lord and 7th lord are from Kendras and have Ithasala yoga, whichever is stronger in both, the significator will be successful. (Lagna - Questioner, 7- Enemy)
- If there is a strong planet in the above system, it is normal that the significator of that planet will be successful in the beginning and fail in the end.
- If the Ascendant is in the 12th house the house of the questioner will be affected. Likewise, if the 7th lord is in the 6th, the enemy's army will be destroyed.

- If the 10th lord is in the Ascendant, or if the 4th lord is in the 7th, the enemy will get help in war. Any planet occupying Mudasilayoga with the Moon or the Sun, and having Musiba Yog without the relevant Mutasilayoga, will result in malefic effects.

Questions Related to the 9th Bhava:

Questions related to this sin are about long journeys.

- Question: Shall I undertake this journey? Answer: If Lagna lord is placed in kendra and gets mudasila yoga with 9th lord or if 9th lord gets mudasila yoga from lagna with lagna lord, then there is travel. But to see this system unluckily there will be accident and loss of property on the journey.
- If the 9th lord has a mudasila yoga with the lagna lord from the lagna, there is no travel.
- From lagna lord kendra, get mudasila yoga with planet in 3rd house and travel without malefic association. There is no journey if it is in an unlucky kendra.
- If the 7th house is malefic, the purpose of travel will not be fulfilled. In the 10th there may be a trip by the government or elders in the family to be inauspicious. If there is an inauspicious Kendra, there will be no journey.
- Lagna lord and 9th lord have mudasila yoga. If both of them are connected to 7th and 8th house, there will be harm during travel. If this system is in Lagna and not 7th or 8th, the journey will be pleasant.
- On travel related questions

Ascendant: Makes travel pleasant

Denoting its vadi, comforts etc.

10th House: Purpose of travel.

7th House: Nature of destination

4th House: Will travel intention be successful? Or not at all.

- If Ascendant or Moon is afflicted then there may be risks in travel. In this, we can see how the risks in the journey will be based on the signs in which the Moon and the Ascendant are placed.

If in bipedal signs like Gemini, Virgo, Libra, by man, (thieves, blocking the way) If in denizens such as Cancer, Scorpio, Pisces, by water and aquatic creatures or pirates (in seafaring) in four-legged signs like Aries, Taurus but by animals, (beating by animals) .blocking the path of an elephant) there will be danger in journeys due to trees (falling across trees) in case of Sagittarius, Aquarius and dangerous animals in case of Leo.

Purpose of Travel:

Will the mission succeed? Method of answering questions.

- If the 2nd lord is also accepted by Lagna, the travel purpose of the questioner will not be successful.
- If the 2nd lord is transiting, the questioner cannot go to a foreign place and stay for a long time. And that trip will not be successful either.
- If the 2nd lord is in the 3rd or 9th the questioner will quickly finish the work he went to and return home.
- If the 2nd lord Lagna joins the 10th or 11th houses and communicates with its lords, the purpose of the trip will be fulfilled.
- If the 2nd lord is in 4th or 7th there will be dangers on the way and the purpose of the journey will not be completed.
- If the 9th lord is in Chararasi
- In the 9th star - returns from a quick journey.
- In the 9th Ubaya Rasi - The traveler may go to places other than the destination or may have to change the travel routes not as planned.
- If the 6th or 8th lord is conjunct the 2nd lord, there will be ill health or other transits during the journey.

Questions Related to 10th Bhava:

Method of approaching questions related to job, profession, business, position etc.

- If Ascendant or Moon acquires Mudasilayoga system with 10th house or 10th lord and is aspected by subara, the questioner will attain royal position. (He may get a suitable job during this period) If a slow moving planet is afflicted in this, the desired result will not be fulfilled.
- If Lagna lord and 10th lord get auspicious exchange and are not afflicted, one gets proper job, country and profession.
- If a slow-moving planet in the Mudasila system gains strength and occupies the Kendra house, the name of the questioner may be spoiled. If this is the system associated with trigon, the questioner may be famous.
- If the moon is not afflicted by a slow moving planet and is strong, the questioner will get country, job and career after wandering to many places.
- If the Lagna lord is in the Lagna itself and Mars is exalted, you will get things related to land.

Goal Accomplishment:

Answer to the question whether I will get government yoga (post, job today).

Lagna - Human effort and works

4th place - Help received from a friend

7th place - no preparation for it

2nd place - Financial assistance

3rd Place - Servants, helpers, helpers and companions

10th place - Favorable circumstances

6th house - indicates the positions of enemies or opposite or adverse aspects.

Depending on the presence of auspicious and inauspicious elements in all these, it will indicate success and failure related to the respective houses.

Questions Related to 11th Bhava:

It is like answering the questions asked on that day whether I will get a gift, honor etc. According to this time, I can get benefits from friends, government help and if my purpose will be fulfilled.

- If 11th lord and lagna lord get yoga in friendly mudhas, it will be beneficial. What the questioner asks will be fulfilled. Mudasila yoga, to be enmity, the purpose will be fulfilled late.
- Even with 11th lord Moon having Kambula Yoga in Kendras, the asker's intention will be fulfilled soon. At the same time 11th house is lord or ruler.
saramenil - given position, honor, work,
It won't last long.
If it is stable - it will be popular for a long time
Courtesy - an award, position or honor given or the purpose for which it is given – these are not sincere.
- Ascendant lord and 11th lord position can tell the result of friendship between two people.

For Lagna Lord and 11th Lord:

If the yoga is obtained in a mutually friendly mudsha, there will be good and genuine friendship between the questioner and his friend. If both are in Kendra - there will be good friendship

- If both are in money - close friendship
- If both are apocalyptic - the friendship is cordial.

Questions Related to 12th Bhava:

Method of replying when questions arise relating to quarrels with enemies, victory in war, etc. In such questions if the 12th house is strong the questioner will be successful and if the 6th house or 7th house is strong then the opponent will be successful. If the 12th house is strong and well aspected, the questioner will spend money in good ways otherwise it will be wasted in evil ways.

Conclusion:

For the questions that we may ask when we see Prasannam, we should think about the system related to the above 12 bhavas and give the results. In this study we can clearly know how the questions related to each Bhavaka will be structured. And can analyze the answers to the questions from a new angle and give accurate results in prasannam. Ashtamangala Prasannam, Deva Prasannam, Chozhi Prasannam, Thambula Prasannam and many prasannams can be analyzed and clear answers can be given.
